LOCATION

Unbeatable

Mexico City is home to the ancient Aztec Empire. Currently it is a modern and sophisticated city and a business center where diverse international transactions take place.

In this cosmopolite city a unique hotel is magnificently situated: Camino Real Mexico. Very close from the legendary Chapultepec Park and nestled among major museums. Camino Real is a hideaway in the middle of the hectic city life.

SPACES AND ART
Architecture

Its spacious areas and breathtaking architecture, inspired by Prehispanic pyramids and patios of colonial buildings, turned into an oasis of peacefulness with gardens and fountains. If you like art, our hotel is a true gallery by itself. Its walls and corridors offer some samples of prestigious contemporary painters. Their work of art decorates our spaces paying tribute to our cultural legacy.

ROOMS

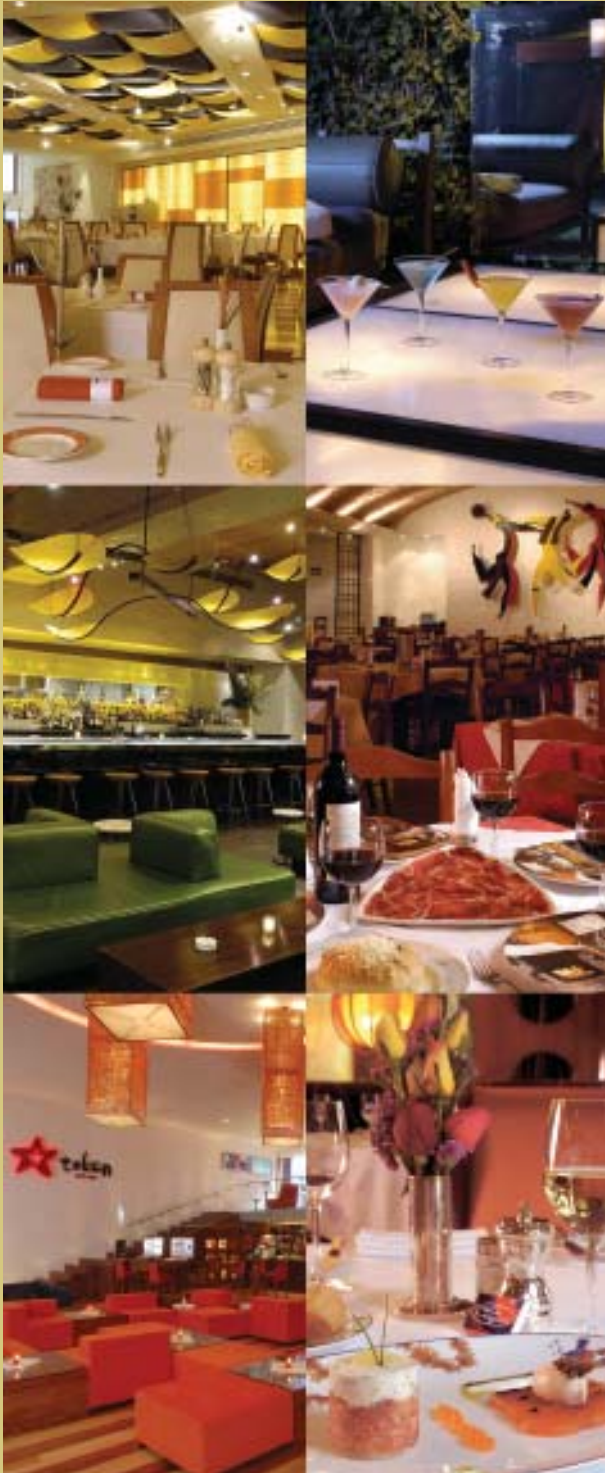

Comfort and Luxury

Camino Real has 714 comfortable and modern guestrooms and suites, with a magnificent view to gardens, pools and interior patios, making up the best scenario for a productive and pleasant stay. In Camino Real every detail is important, since we know what are the expectations and needs of the most demanding guests.

The Camino Real Club section offers an exclusive check-in area, personalized butler service and access to the Executive Lounge providing complimentary daily continental breakfast and hors d'oeuvre during the evening.
