Jesse Woolrich off to Japan with the APT

Jesse Woolrich will finally get to meet his team mates for the first time when they arrive in Cairns for the first leg of their bi annual trip to Japan.

Queensland has not entered a team in the Provincial Cup for the last 4 years which has made it difficult for our players to be noticed. Jesse was first identified by Coach Allan Parrott when he was on a recent business trip to Cairns and now Jesse gets the opportunity to prove the faith shown in him by coach Parrott.

A fantastic panoramic shot recently taken by Geoff Roneberg

A huge thank you to Geoff Roneberg and Ritchie Mounsey who have put in many hours of backbreaking work to get the field to this standard.

Keeping it in this condition will require considerable work. Look out for more news on this front in future issues.
